## Who we are

Stay In Step is a veteran 501(c)(3) non-profit organization, which provides state of the art recovery to spinal cord and traumatic brain injury clients in the Tampa Bay region. Stay In Step was founded by Chief Warrant Officer Romy Camargo and his wife, Gaby. Romy entered the U.S. Army in 1995 and spent most of his military career with the 75th Rangers Regiment and 7th Special Forces Group. During his third deployment to Afghanistan, Romy's detachment was ambushed while carrying out a humanitarian mission and Romy was shot in the back of the neck, resulting in paralysis from the shoulders down. Romy and Gaby viewed his diagnosis not as a challenge, but as an opportunity. After months of planning, Romy and Gaby set out to open their own rehab facility to provide therapy and recovery services to the military and civilian community. On June 20, 2015, Stay In Step opened its' doors.

## What we do

Our mission is to provide SCI clients with a step forward toward recovery through world class rehabilitation and collaboration. Our facility has top-of-the-line equipment, Physical Therapist, Physical Therapist Assistants and Trainers who are passionate about what they do.

To date, we have helped more than 120 clients by practicing therapy techniques that are unavailable at any other facility in Tampa, FL. Additionally, we have supplemented more than \$315,000 for the cost of services through a financial relief program that allows clients to pay only half of the cost 2 hour-long rehab sessions - something that most insurance companies do not cover.

## Where we want to go

Our goal is to change lives one STEP at a time, as we help clients and their families take a STEP forward toward RECOVERY! We are constantly searching for the newest techniques and equipment to provide the most up-to-date therapy for our clients. In order to facilitate additional therapy exercises for a wide range of impairment, including a therapy pool, large overhead bodyweight support track for over-ground gait training, and more so that we can support even more clients.

## How you can help

To fulfill our goal of changing the lives of as many clients possible, we need your help! As a sponsor, your organization will be directly responsible for providing us with the opportunity to continue providing financial relief to clients through our Supplemental Program. Individual client sponsorship packages are also available, where 100% of your contributions will go directly to their therapeutic needs.

## When and Where

The 4th Annual Stay in Step Celebration Gala will take place on September 28, 2019 at the Renaissance Tampa Intl. Plaza Hotel. All proceeds from the event will benefit the Romy and Gaby SCI Foundation, Inc. d/b/a Stay In Step Foundation.
