

Stay In Step

BRAIN AND SPINAL CORD INJURY RECOVERY CENTER

SPONSORSHIP OPPORTUNITIES

8th Annual Gala Havana Night

Who We Are

Stay In Step is a veteran founded 501(c)(3) non-profit organization, that provides state of the art recovery to clients living with paralysis in the Tampa region.

What we do

Our mission is to provide clients living with Brain and spinal cord injury or any other neurological disorder that causes paralysis a step forward towards recovery through world class rehabilitation and support.

Our Goal

Our goal is to change more lives one STEP at a time, as we help clients, and their families take a STEP forward toward RECOVERY!

8th Annual Gala & Fundraiser

Saturday, September 23, 2023
Grand Hyatt Hotel
Tampa, Florida

OUR STORY

FOUNDERS

Stay In Step was founded by Chief Warrant Officer Romy Camargo and his wife, Gaby.

Romy entered the U.S. Army in 1995 spent most of his military career with the 75th Rangers Regiment and 7th Special Forces Group. During his third deployment to Afghanistan, Romy's detachment was ambushed while carrying out a humanitarian mission and Romy was shot in the back of the neck, resulting in paralysis from the shoulders down. Romy and Gaby viewed his diagnosis not as a challenge, but as an opportunity. After months of planning they set out to open their own rehab facility to provide therapy and recovery services to the military and civilian community. On June 20, 2015, Stay In Step opened its' doors.

MISSION

WHAT WE DO

Our mission is to provide clients living with Brain and spinal cord injury or any other neurological disorder that causes paralysis a step forward towards recovery through world class rehabilitation and support. Our facility has top-of-the-line equipment, Physical Therapist, Physical Therapist Assistants and Trainers who are passionate about what they do. We have provided an average of 14,000 hours of therapy a year. Additionally, we have supplemented more than \$675,000 of the cost of services through a financial relief program that allows clients to pay only a portion of the cost of the 2-hours long rehab sessions - something most insurance companies do not cover.

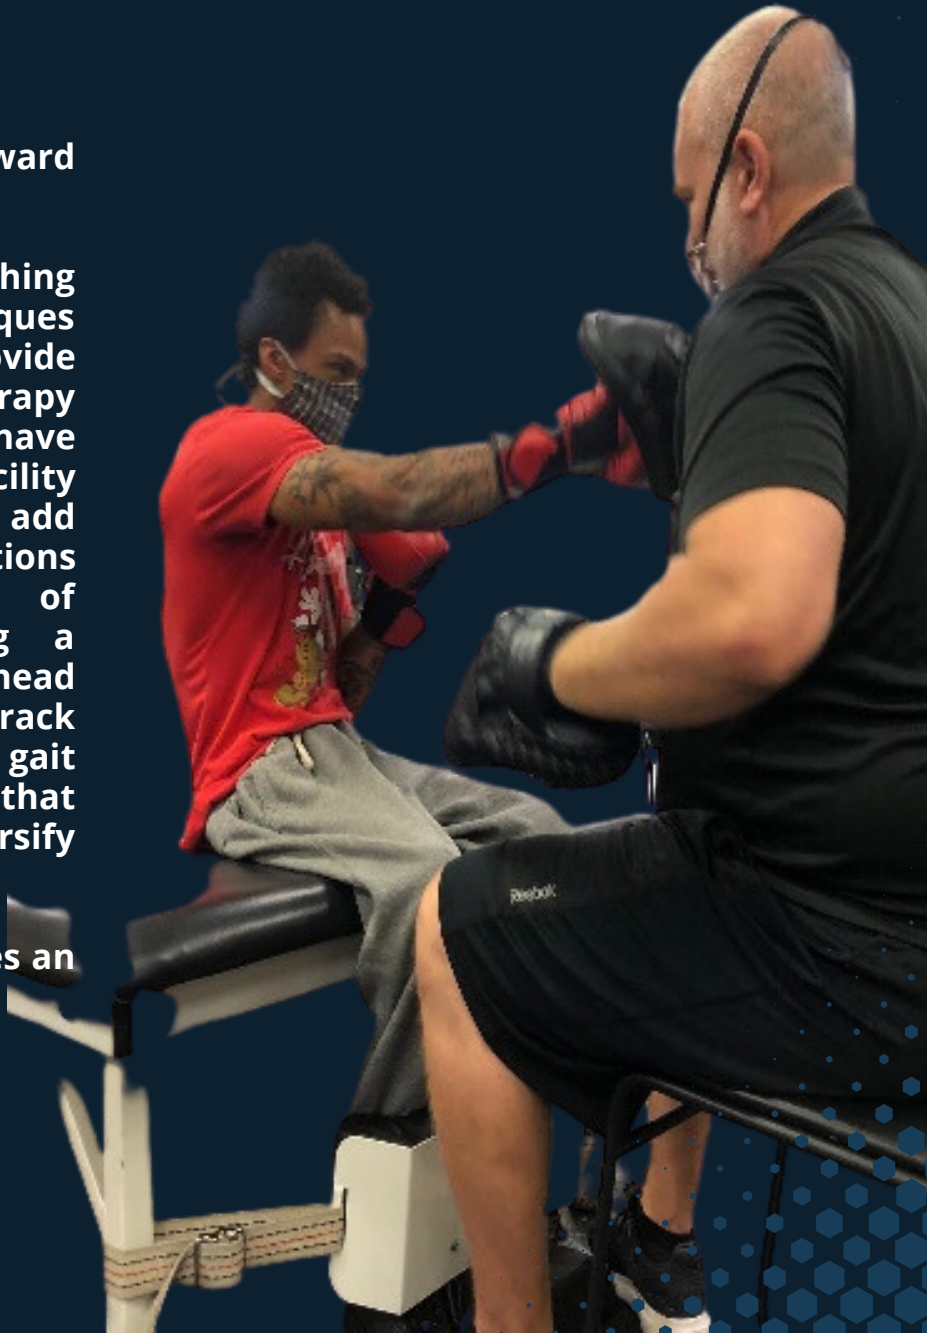

VISION

OUR GOALS

Take a STEP forward toward RECOVERY!

We are constantly searching for the newest techniques and equipment to provide the most up-to-date therapy for our clients. We have moved into a larger facility with hopes to add additional therapy options for a wide range of impairments, including a therapy pool, large overhead bodyweight support track for over-ground gait training, and more so that we can continue to diversify our program.

Your support truly makes an impact!

THANKYOU!

*You are
our heroes!*
